## EXPERIENCE PRODUCER

Claiming ownership of the future through the design and production of spellbinding immersive and interactive experiences.

### EXPERIENCE

SXSW: **CLIENT LIAISON, SEASONAL** (FEB 2018–MAR 2019, RECURRING)

- Worked closely with several high-profile sponsors during SXSW special project activations including Pinterest, Starz, Comedy Central, Showtime, and Brooklyn Bowl/Relix to ensure all client production needs were met
- Brokered agreements for mutually beneficial adjustments to security/physical infrastructure needs, social media campaigns, queuing plans, and other sensitive matters while assuring adherence to SXSW protocols

THRILLS A/V PRODUCTIONS: **CREATIVE PRODUCER** (MAY 2018–PRES)

- Co-produced and supervised immersive event under tight deadlines (seed concept to execution within one week) and budget of +\$19k, orchestrating 20+ artists, designers, and technologists to create Wonderland-themed activations
- Executed and streamlined LED component blueprints to assemble LED backlights for throne centerpiece within HBO's Game of Thrones SXSW activation in 2019.

VURV COLLECTIVE: **ASSOCIATE PARTNER** (PRES), **INTERACTIVE TECHNICAL PRODUCER** (FEB 2018–FEB 2019)

- Created bespoke audio assets and generative audio networks for Vurv exhibit Mujo at Hopscotch Light and Sound, featuring in multiple national publications
- Storyboarded and integrated live gesture-controlled projections for Unset 2.0 experimental dance performance
- Composed and designed sounds for several exhibitions including Ruckus Rock, Hello World, and Audience of Ourselves

ONE WORLD THEATRE: **A/V SPECIALIST** (FEB 2019–PRES)

- Handled daily production needs i.e. load-in, setup, currently training to run DMX environment and live 5.1 sound

---
